## TOWN OF CARY, NORTH CAROLINA PARKS, RECREATION & CULTURAL RESOURCES

## MASTER PLAN Note: The locations of survey respondents that ranked new indoor recreation space as one of their three top priorities for future funding for improvements are plotted on this map (shown as a purple check mark). The geo-coded locations of all other survey responses to this question are also plotted as shown by the pink circle icon. Additional Survey Detail: Question number 19 of the statistically-valid 2011 Master Plan Survey of Cary residents asked "What is your opinion concerning where future funding improvements should be spent?" Respondents were asked to then rank their top three from a list of nine choices, including adding new indoor recreation space (e.g., weight rooms, fitness space, gymnasiums, leisure aquatics, class/meeting rooms, etc.).
