

### GIVING BACK TO THE COMMUNITY

The respondents were asked to rate the importance for them to give back to their community. Table 70 shows there was a very high degree of agreement with this statement. The mean was 8.43 with 97.2% of the respondents on the “agree” side of the scale. There was only 0.6% on the “disagree” side. See Appendix B for selected giving back to the community crosstabulations (B444-B452).

### IMPACTED BY FLOODING

Finally, the respondents were asked a question concerning flooding and runoff in Cary. They were asked if they had been personally impacted by flooding or runoff or do they know of someone who was impacted by flooding or runoff. There were 9.3% or 37 respondents who answered yes to this question. See Appendix B for selected impacted by flooding or runoff crosstabulations (B453-B461).
