

Minutes of Neighborhood Meeting

Date: September 5, 2018

Case: 18-REZ-20 MacGregor Centre PDD Amendment

Submitted to Desmond Corley

Attendees: Karen Ruoff Brown, CPM, York Properties, Inc. as agent for owner
Bobby Brantley, E2S

This case involves adding a second "Personal Service" as a permitted use for Lot 2A; and, add "Indoor Commercial Recreation" as a permitted use for Lot 2A.

There were no neighbors/local citizens who attended the meeting to discuss this case.

We discussed the possibility of allowing these uses before the case goes to Council for full vote, as this is causing economic hardship for tenants who want to remain and for the new tenant that is ready to open their business.

There was no additional discussion of this case.
