

TOWN of CARY

RECLAIMED WATER SYSTEM EXTENSION PERMIT APPLICATION

INSTRUCTIONS: Indicate that you have included the following list of required application package items by signing your initials in the space provided next to each item. Failure to submit all required items will lead to additional processing and review time for the permit application.

ALL PROJECTS

- _____ **A. Application Form** – Submit one electronic (PDF) copy of the completed and appropriately executed application form as indicated in step D. The application form shall be signed as follows:
- (1) in the case of a corporation, by a principal executive officer of at least the level of vice-president, or his duly authorized representative;
 - (2) in the case of a partnership, by a general partner, and in the case of a limited partnership, by a general partner;
 - (3) in the case of a sole proprietorship, by the proprietor;
 - (4) in the case of a municipal, state, or other public entity by either a principal executive officer, ranking elected official, or other duly authorized employee.

PROJECTS SUBMITTED VIA TOWN OF CARY SITE PLAN REVIEW

- _____ **B. Detailed Plans** – Utility Extension plans are submitted via the Town of Cary site plan review process. No additional copies are required. These plans shall conform to the most recent versions of the Town of Cary Standard Specifications, Town of Cary Reclaimed Water Master Plan, and 15A NCAC 2U. Plans shall be signed, sealed, and dated by a North Carolina licensed Professional Engineer.
- _____ **C. Application Fee** - The fee for projects permitted via the Town of Cary Site Plan Review process will be \$480/each permit. This fee will be collected during the ITD review process prior to project approval.
Note: Phased Plans may require multiple permits.
- _____ **D. Application Submittal** - Submit application and all supporting documents as indicated during the site plan review process.

PROJECTS SUBMITTED VIA TOWN OF MORRISVILLE SITE PLAN REVIEW

- _____ **B. Detailed Plans** - Submit three sets of plans plus one electronic copy in PDF format, bearing completed site plan approval block (PDF files should be labeled by sheet name and number). Plans shall conform to the most recent versions of the Town of Cary Standard Specifications, Town of Cary Reclaimed Water Master Plan, and 15A NCAC 2U. Plans shall be signed, sealed, and dated by a North Carolina licensed Professional Engineer.
- _____ **C. Application Fee** - For projects submitted via the Town of Morrisville plan review process, submit a check in the amount of \$480 made payable to Town of Cary with the application.
- _____ **D. Application Submittal** - After obtaining Town of Morrisville construction plan approval, submit application, fees, and all supporting documents to the following address:

***Town of Cary Development Services Department,
316 N. Academy Street, P.O. Box 8005
Cary, NC 27512-8005

- a. Wetland/Stream Crossings – General Permit or 401 Certification? _____
- b. Sedimentation and Erosion Control Plan? _____
- c. Stormwater? _____

VI. CERTIFICATIONS

Professional Engineer's Certification:

I, _____, attest that this application for _____ has been reviewed by me and is accurate, complete and consistent with the information in the engineering plans, calculations, and all other supporting documentation to the best of my knowledge. I further attest that to the best of my knowledge the proposed design has been prepared in accordance with the applicable regulations, and the most recent versions of the Town of Cary Standard Specifications, Town of Cary Reclaimed Water Master Plan, and 15A NCAC 2U. Although certain portions of this submittal package may have been developed by other professionals, inclusion of these materials under my signature and seal signifies that I have reviewed this material and have judged it to be consistent with the proposed design. I understand that if any offsite easements are required for the reclaimed water line extension installation as shown on the plans, this extension permit is not valid without legal proof of that easement acquisition.

North Carolina Professional Engineer's seal, signature, and date:

Applicant's Certification:

I, _____, attest that this application for _____ has been reviewed by me and is accurate and complete to the best of my knowledge. I understand that if all required parts of this application are not completed and that if all required supporting information and attachments are not included, this application package will be returned to me as incomplete. I understand that if any offsite easements are required for the reclaimed water line extension installation as shown on the plans, this extension permit is not valid without legal proof of that easement acquisition. Furthermore, I certify that upon complete installation of the reclaimed water line extensions permitted through this application form and TOC approval, the subject reclaimed water line extensions shall be dedicated to the Town of Cary.

Signature: _____ Date: _____

APPROVAL: The permit cited in the foregoing application is hereby approved insofar as the protection of public health is concerned as provided in the regulations, standards and criteria adopted under the authority of Chapter 36, Article II Water and Sewer Extensions, Section 36-37 of the Code of Ordinances for the Town of Cary, with the following provisions:

The official copies of plans accompanying this application have been sealed and stamped with the serial number of this application _____. Only such plans are included in this permit approval and any erasures, additions or alterations of the proposed sewer extensions will make such approval null and void. This permit shall be effective from the date of site plan approval or as dated below. This permit shall expire one (1) year from the date of site plan approval if the permitted improvements have not been initiated.
